

It is the recommendation of this committee to the NYFEA Board and members present at this delegate meeting to consider and approve the following changes and amendments made to the Constitution and By-Laws of this association:

- Split the two documents into two separate, by equal, stand-alone documents

#### Changes to the Constitution

- Updating document language to present-day nomenclature
- Update all references of executive director to executive vice-president
- Deleted punctuation at the end of each line item
- Edited for consistent style
- Edited for consistency of content/policy between documents
- Deletion of sections that belong in By-Laws rather than in the Constitution

#### Changes to the By-Laws

- Removals of the summer meeting references and replace references with the term Spring meeting
- Updating document language to present-day nomenclature
- Update all references of executive director to executive vice-president
- Deleted punctuation at the end of each line item
- Edited for consistent style
- Edited for consistency of content/policy between documents
- Addition of sections that belong in By-Laws rather than in the Constitution
